A bit about us...

We are Sarah and Alex, two educators and artists, and we put a lot of love and care into making attractive teaching materials that entertain little ones while they learn. Whether you are a parent or teacher, and you're looking for great resources in English or Spanish, nothing makes us happier than knowing our materials help you educate and engage your children!

Much of our focus is on teaching English as a second language, but everything at Tea Time Monkeys is just as fun for English speaking preschoolers and kindergartners! All our material is also available Spanish, so if you're teaching Spanish to young kids you're in the right place.
